On our working farm, with its magnificent views, we offer a self catering cottage for 4 people. It is a family cattle farm with a herd of pedigree Limousins, which are mainly sold for breeding. Experience farmlife, relax near the swimming pool or under an Ilex tree by the lake. Children will love the farmdogs, the games room, the skelter, the fishing or just wandering around. With Spain on one side and the Alentejo province on the other, there is enough to explore in the small white washed villages or in the bigger towns with their thick walls and castles.

You can find us 8 Km from Portalegre, the capital of the Alentejo, region of Portugal. A place that is known for its great natural beauty. Here we are "Monte dos Apóstolos" Hill of the apostles, near the rural village, Urra. A house that was once a palace in the beginning of the XIX century. It has great natural beauty, as it was built in the middle of an enormous cork grove.

In the main building it has a suite and 5 ample bedrooms each with a phone, Satellite TV, air conditioning and its own private bathroom. We were careful to accommodate for disabled people with wheelchair ramps on the first floor and an elevator to the second floor with a special room fitted out with an adequate bathroom. In the annex, with the same characteristics of the main building you have two suits and two bedrooms.

It is incomparable with anything, with its warm and inviting ambience where you can feel rejuvenated and freed from your daily stress. You can, if you want, be served meals of a very high standard, being able to experience the diversity of flavours that are a part of our regional cuisine. The main building has two big living rooms that you can use for social or business purposes.

On the property you can explore the grounds on foot or bicycle. You can also ride horses in an open field. In the summer season you have at your disposition a seawater swimming pool for adults and another for children. It has a very old chapel that can be used for weddings and baptisms.
